September presentation

Why do we collect coins? History, art, sense of accomplishment. The reasons are varied. For our September speaker, it's feel - how coins feel. Tom Babinszki is blind.

I read about a presentation he gave to the Chicago Coin Club and asked him to give a presentation to us in Columbus if he was ever by this way. Tom, who lives in North Olmsted, Ohio, works for IBM and travels quite a bit in his work. This week, he happens to be in Columbus.

Kudos for the show

The Reeded Edge reports

Rob and Robbie just returned from The Ohio State Coin Show in Dublin, OH. Fortunately, Ohio State University's football season opener fell on a Thursday night this year, resulting in an active and well-attended show for all 3 days. Selling and buying were virtually equal, and each area was solid. Although we didn't buy any numismatic treasures, there were a lot of bread and butter coins in our new purchase boxes. This was due in a large part to all of our friends that came by our booth with numismatic offerings. This is one of the better managed club shows in the entire country; the Central Ohio Numismatic Organization's effort, once again, graded A+. At the end of the day, this was a show that we really enjoyed, which made the 4 1/2 hour car trip worthwhile.

Three A's on a report card and they receive free coins from the ANA. A great way to reward and to start a new collector for our favorite hobby, and all just for the price of a stamp. Find me at the meeting and I will get you a brochure.

Two companies of adventurers, of thirty in each, residents of Columbus and vicinity, have this day taken leave of their fellow citizens, and started for the *El Dorado* of the Sacramento Valley. Leaving Columbus, they pass thro' Xenia to Cincinnati, thence by water to Independence, in Missouri, beyond which the particular route is not determined upon.

The other band is called the "Franklin California Mining Company." Its officers are—Joseph Hunter, Captain; John Coulter, Lieutenant; J. H. Marple, Secretary; F. A. McCormick, Treasurer; O. S. Liberty Seated Collectors Club

CONA members attending the regional meeting of the Liberty Seated Collectors Club were treated to a rare opportunity to see a complete set of Seated Liberty silver dollars. CONA President Steve Petty said the set is only the fifth to be assembled. Collectors were invited to examine the coins individually.

LSCC President Gerry Fortin started the meeting with an update on the organization. Petty, who is also the LSCC central regional director, gave a presentation on the value of the Liberty Seated silver dollars when they were issued in the mid-19th century.

Petty said his presentation was an abbreviated version of the one he will give Sept. 24 at the Central States Numismatic Society's Fall Seminar in St. Charles, IL, after the Illinois Numismatic Assoc. show.

Dear Central Ohio Numismatic Assoc.,

On behalf of our Animals, Staff and Board of Directors, we would like to sincerely thank you for your recent donation of \$100.00, In Memory of Hugh Mann. We truly appreciate your help in fulfilling our mission!

With your generosity, you have become a partner in our mission to rescue, adopt and provide wellness care for the animals of Delaware County and Central Ohio. In 2016 alone, 1510 animals were adopted and our Spay/Neuter Clinic provided surgical care to over 1900 animals.

As you know, with the ever increasing growth of Delaware County, those needing our help will rise as well. It is only with the continued support from many wonderful people like you that HSDC is able to help as many animals as possible. For more information on how your donation is being put to work and on future programs and events, please visit our website and follow us on Facebook. We couldn't do the things that we do for Delaware County without people like you!

Best Regards,

DaLene Bucks
